I love my job because: It is a "ministry". These residents are awesome! There is never a dull moment. God has given me the opportunity to serve in a great and mighty way here at MSCC and to show these residents what compassion truly is. A prayer, a smile, a hug, a song, a kind word or just holding their hand when they need it most. I am so blessed to have a team of "Awesome" caregivers to work around that make MSCC a home. August Right of the Month: Visits and Communication

You have the right to stay connected with friends, relatives, and advocates, both inside and outside our facility. This includes the right to have visitors you approve of visit you at times that work for you, so long as this does not interfere with the rights of others. As a resident, you have the right to reasonable access to use of a telephone, electronic communications and postage and writing supplies.

CHAPLAIN'S CORNER

Is it just me, or is this year flying by? The Psalmist prayed "Lord help me number my days right". In other words, let me be aware of how fleeting this life is. One of our ladies said "The time is just flying by!" It is true. So my prayer is that we will make the best of the time we have here!

Activities in July

Residents enjoyed an ice cream social with 8 different types of homemade ice cream made by our staff. They also joined in singing a few old church hymns while they were waiting on it to finish.

Some of the other activities this month were, resident's birthday party, listening to C.D. Hagan play the clarinet and watching The Christian Line Dancers perform.

*If you or your church group are interested in leading an activity, please contact Diane Purvis, Activities Director. 601-732-6361
