EMPLOYEE OF THE MONTH Carolyn Keeton

Spouse: Greg Keeton

Hobbies: Spending time with family & working

Department: Nursing (6 months)

I love my job because: I love taking care of people, I love to see the smile on the resident's faces, I love interacting with residents and their families, and I love my co-workers! Nursing is very challenging, interesting and I love making a difference in people's lives. I feel very compassionate about my profession and also see it as a way of contributing positively to society.

December Right of the Month: Role of a Resident's Representative

Serving as a resident's representative is both a serious responsibility and an act of love and support for your loved one. Please know that your service is deeply appreciated. If we can assist you by providing information, answering questions, discussing resident's needs and situation, or resolving problems or concerns, please let us know right away.

Residents enjoyed making apple pies to take home with them for their family Thanksgiving Day.

CHAPLAIN'S CORNER

December, the month of giving! Or is it the month to get? It really depends on our heart. One thing is for sure, the Lord gave us the example of giving. Before we were born, He gave us the gift of His Son. In that one gift he gave us love, peace and forgiveness, lying in a manger in Bethlehem. Glory to God in the highest!
