I love my job because: I work with a wonderful staff of people who genuinely care about each other and the residents that we take care of on a daily basis. When I come to MSCC, I do not feel as if I'm coming to work because I love helping other people. I personally feel that God puts people where they need to be. I'm grateful that he put me here.

I also want to say a special thank you to the ladies that work on TCU. There is not any other place I would rather work! Thank each of you for always having each other's back!

April Right of the Month

Right to be Kept Informed

You have the right to be kept informed about things that affect you. This includes who owns and operates our facility, the name of the administrator, the name and specialty of your doctor and their contact information, your total health status and plan of care and your rights and responsibilities and any changes in them.

April Activities

Like us on Facebook and visit our website, msccofmorton.net for additional info and current calendar of events!

FRIENDLY REMINDER!

National Nursing Home Week is fast approaching! We will have a week full of activities, food, fun, prizes and much more!

We would like to ask the families if they would provide themed clothes for the residents to wear each day. We

will post themes as soon as they are approved. Also, the residents will be able to purchase a t-shirt for that week. We ask that the families make sure enough money is in their account for this.

T-SHIRTS WILL COST \$6 FOR RESIDENTS (2XL & up will be \$2 more).

If family members would like to purchase one see Diane Purvis in Activities.

Thank you for always helping out and going the extra mile for our residents!

CHAPLAIN'S CORNER

It seems the March winds and April showers got tangled up this past month. I say bring on the May flowers!

Praying for those affected by the weather and trusting that our God will comfort and care for us.
