**During this flu season, help us protect our residents, their families and staff. Please follow these guidelines when visiting:**

- **All visitors and people within their household should be healthy**
- **Do NOT visit if you feel sick or have symptoms of a cold, flu or another illness.**
- **Always cover your cough or sneeze**
- **Sanitize your hand upon enter & exit of the building**

## March Right of the Month: Advanced Directives

You have the right to use advance directives to guide your care in the future. There are two types of

advance directives. A durable power of health care or a health care proxy lets you give someone else the power to act on your behalf, if the time comes when you can no longer act on your own. A health care directive (living will) lets you say what kind of care you would or would not want as you near the end of your life.

## Employee of the Month

# January

Bo Bradley, Maintenance

# February

Karen Poole, LPN, Nursing

## CHAPLAIN'S CORNER

Philippians 4:4 says: "Rejoice in the Lord always and again I say rejoice!"

March seems to be a month for rejoicing. As I am writing this, we are celebrating Mardi Gras, (I had to look up the spelling.) Then, in March we have St. Patrick's Day, another day for parades and celebrations.

Truth is, we always have a reason to rejoice. No matter what we are going through, what Jesus did will always be there for us. So, like Paul, I say rejoice and again I say rejoice.
