## November Right of the Month: Resident Responsibilities

Along with their rights, every resident also has some important responsibilities. Residents have the responsibility to respect, property, and privacy of others, keep our staff advised in matter of scheduling, assist in safeguarding your personal things, pay on time for all items and services you are responsible for, stay active in making your own choices, treat others with respect and courtesy and let us know if you have a question or concerns.

## CHAPLAIN'S CORNER

Hurricanes, Elections, Covid 19 Pandemic, and yet in November, we celebrate Thanksgiving. Praise the Lord that what God has done for us through His Son Jesus is a sure and immovable truth in a shifting world. We can always rejoice right up in the middle of this crazy world.

God bless, Bro. Tal
