CALL & SCHEDULE YOUR INDOOR OR OUTDOOR VISIT!

Outdoor and Indoor visits are allowed at MSCC of Morton. Please call 601-732-6361 and ask for the Activities Department to schedule your visit or ask any questions about visitation. Indoor and Outdoor visits MUST be scheduled. As vaccination increases and COVID-19 cases decrease, we look forward to more visitation and social interaction among residents, friends, family, and loved ones. We will continue to learn and make updates to visitation over the coming months.

CHAPLAIN'S CORNER

Spring is trying its best to arrive. New beginnings, trees are budding, life anew.

But with Spring and most things new, there are difficulties that come with them. Spring storms, pollen and allergies all kick in as new things arrive.

I look forward to Spring, (Mainly because the fishing gets better!!) I pray that as new things come and changes occur, we won't be caught off guard by the trials that might be attached to them.
